We will assign roles to volunteers on event day, and due to the amount of volunteers needed at each obstacle we cannot guarantee that more than 2 people can be placed together in an area.

Your role as a volunteer on the day will include being stationed at an obstacle on our course and giving the kids a hand (if they need one) in completing the obstacle. As well as cheering them on and the odd high five thrown in there too.

Our shifts start at 8am and finish at 1pm. You are advised to check in with course directors or crew up to an hour before your shift starts to ensure you get a good park and are there for the briefing before the race starts.

Every volunteer will either be able to have their kids run the Obstacool course for free or run themselves on the Miss Muddy obstacle course.
